

HELPFUL HINTS FOR SELF-STORAGE

Reserve and use our convenient **FREE** rental truck to move in* a unit - **We have furniture pads and an appliance dolly available for rent or sale ***.

Use the same size boxes to facilitate neat, orderly stacking (label contents). **We have all size boxes and moving supplies available ***.

Always use **HEAVY DUTY DISC LOCK** to secure your unit *.

Always use **HUMIDITY ABSORBER DRI -IT** to prevent moisture and mildew damage.

Use a **WOOD preserve** on wood, furniture and paneling being stored, as well as wood in boats, RV's and trailers.

Remember, fuel in tanks and carburetors goes bad with age which can cause costly repairs. It's also **illegal** to store Gas, Flammable items and Drugs*.

Use a **METAL preserve** on all unpainted steel to prevent corrosion.

Always use a **PLASTIC PROTECTOR** to cover packed furniture and as a dust cover for valuables.

Never store food in a container that is open or in a cardboard container. Use a **PEST AWAY product** to discourage insects, rodents and other creatures from entering your unit.

Always use a **MATTRESS COVER** on all mattresses to keep them clean and fresh.

Check the coverage of your home owner's insurance policy. Self-Storage Tenant insurance is available through **EASY SELF STORAGE .***

Why not consider renting two smaller units rather than one large unit - you will have better access and flexibility.

Don't store illegal substances (drugs, toxic material or industrial waste). **Don't store flammable materials** without using State or Federally approved containers.

If you are unable to pay your rent for any reason, contact the office *. We auction off the contents of delinquent units and may be able to help you avoid unpleasantness. The auctioning of contents does not end a delinquent account. The unrecovered amount will be turned over to a collection agency *.

If you move or the alternate contact person changes, make sure the office has a new address and phone number.

We hope your self-storage experience with us is pleasant and uneventful.

* See manager for details
